

Boolean Girl Presents: Full STEM Ahead

Episode 32: Python Turtle

Get ready to go:

Open Thonny

Don't have Python and Thonny installed?

<https://www.python.org/downloads/>

<https://thonny.org/>

See instructions here:

<https://booleangirl.org/full-stem-ahead/help>

Raise Hand

Q&A

During the Episode the instructor may ask you to raise your hand to let them know you are done.

If you need help or want to say hi, use the Q&A feature to ask questions. We don't use Chat

Scratch Blocks

Python Text

```
name = input("What is your name? ")
color = input("What is your favorite color? ")
verb = input("Give me verb ")
food = input("What is your favorite food? ")
```
